## **Seats from old Met Stadium go on sale Dec. 23**

*Sale runs from 2 to 5 p.m. at Joe Schleper Stadium*

Shakopee, Minn. – Need a unique holiday present? The public will have the opportunity to purchase seats from the old Met Stadium beginning Tuesday, Dec. 23.

The City of Shakopee will be selling approximately 200 stadium seats that have been in Joe Schleper Stadium since the early 1980s. The seats had previously been used at the old Met Stadium before it was torn down. The City recently replaced the seats with those from the demolished Metrodome Stadium.

The sale runs from 2 to 5 p.m. Dec. 23 at Joe Schleper Stadium at Tahpah Park, 1490 Adams St. Seats are available for:

- One seat - \$25
- Two seats - \$40
- Three seats - \$55
- Parts, if available - \$10 each

Seats will be sold on a first-come, first-served basis. No pre-sale orders. All seats are sold as is. The City will not make custom requests. Check or cash only.

Buyers are responsible for loading and transporting seats; all seats must be hauled away at time of purchase.

If the seats are not all sold on Dec. 23, the City will have a second sale after the New Year.
